For Ballet classes, dancers should wear a leotard with tights, shorts, or leggings, and Ballet shoes. Hair should be secured away from the face.

For other classes, dancers may wear any form-fitting dancewear that allows for safe movement and proper technique correction.

Dancers who fail to arrive in dress code will be asked to observe class.

Families looking for dancewear may shop our online store at:

<https://www.shopnimbly.com/EleveDanceProject>

Purchasing through the store is completely optional. The store has been curated with recommended leotards, tights, shorts, leggings, etc. that meet dress code requirements.

Dancewear Package

To ensure consistency in all classes, all dancers are required to have the Élevé approved footwear. Élevé will coordinate a group footwear order at the beginning of the season.

Dancers will be sized, and families will submit payment directly to Élevé (cash or Zelle to elevedanceproject@gmail.com). The required footwear package includes:

- Skin tone Ballet shoes

The total cost of the footwear package is \$75 and is due by November 10, 2026.

Attendance

- Consistent attendance is expected to support progress and group work

- Absences should be communicated in advance when possible
- Excessive absences may impact participation in choreography and competitions

Classroom Expectations

- Dancers are encouraged to remain focused and engaged throughout class
- Corrections are a key part of training and should be applied consistently
- Respect for instructors and peers is required at all times
- A positive and supportive environment is essential

Dancer of the Month

Each month, one dancer will be recognized as Élevé's *Dancer of the Month*.

This recognition is based on:

- effort
- focus
- growth
- work ethic
- and overall attitude in class

The goal of this recognition is to celebrate dancers who are consistently applying corrections, staying engaged, and showing commitment to their training.

At the end of the season, dancers will also have the opportunity to be recognized through additional awards celebrating growth, dedication, and performance.

Evaluations

To support each dancer's growth and development, Élevé Dance Project will conduct both mid-season and end-of-season evaluations throughout the year. Evaluations are designed to provide dancers and families with clear, constructive feedback regarding technical progress, performance quality, work ethic, and overall development within the program. Dancers will be assessed in areas including technique, strength and conditioning, flexibility, turns and leaps, performance quality, and class attitude/focus. The purpose of evaluations is not comparison, but rather to help each dancer continue developing to their fullest potential.

Optional Enrichment Opportunities

At Élevé Dance Project, we believe dance education extends beyond the competition stage. Throughout the season, dancers may have the opportunity to participate in optional enrichment experiences designed to expose them to a wider range of training styles, performance environments, and artistic opportunities.

Optional enrichment opportunities may include:

- Dance conventions and workshops
- Guest master classes
- Professional dance performances
- Broadway shows and theatrical productions
- Group training experiences at professional studios
- Community performances and special events

These experiences are intended to encourage artistic growth, inspiration, and a deeper appreciation for dance as both an art form and profession. Participation in enrichment opportunities will always remain optional. Additional details regarding scheduling,

pricing, transportation, ticketing, and participation requirements will be shared with families as opportunities become available throughout the season.
